Name & Phone Number of my chosen Veterinarian (all vets do not see mini pigs so it is important to find one who has mini pig experience.) _____

- I/we have read through the ***** website and I/we am aware of the challenges and joys of owning a pet pig.
- I/we understand that ***** Pig ownership is a 15-20 year commitment and not an impulse purchase.
- I/we am able to commit to spending at least 2 hours daily to socializing my ***** Pig.
- I/we understand that my ***** Pig is not guaranteed to stay a certain size. His/her height will be roughly an average of his/her parents' heights and his/her weight will depend on the diet and exercise that I/we provide.
- I/we understand that pigs are intelligent creatures and, as such, require love and attention. I/we will not keep my ***** Pig crated all day or ignore him/her.
- I/we understand that this is an indoor pet pig, not one to be kept outside or in a barn.
- I/we understand that my ***** Pig will require rules and discipline and that, like a small child, such rules may not always be followed.
- I/we understand that I/we may have to "child-proof" items in my/our home.
- I/we understand that pigs can and will try to eat almost anything. I/we will be vigilant in providing the proper diet for him/her and try to keep unsafe items out of his/her reach.
- I/we understand that I/we will need to provide regular veterinary care and medications just like any other pet.
- I/we am financially able to provide annual and emergency Vet care for my ***** Pig.
